**SUPERVISORY COMMITTEE ANNUAL AUDIT
 AND INTERNAL CONTROL CHECKLIST**

This checklist should be completed annually, signed by at least a majority of Committee members and retained with the workpapers or included in the report. Completion of this checklist by the Supervisory Committee or external auditors will be considered by the Administrator in determining if the Supervisory Committee has made a thorough annual audit as required by K.S.A. 17-2211(c)(2019 Supp). Additional information may be found in the [NCUA Other Supervisory Committee Audit Minimum Procedures Guide](#).

The work procedures listed below are **minimum procedures** to be performed. They should not be construed as restrictive. Circumstances relating to individual engagements or situations encountered may make it necessary or desirable to expand certain procedures, or extend procedures to other areas. Additional procedures performed should be documented as a separate exhibit to this document. Workpaper references should be included to provide a cross reference to the applicable area where the work was performed. All workpapers should be retained and available to regulatory examiners.

All internal control questions should be answered "Yes", "No" or "N/A". Any questions which are answered "No" should be explained and followed up by the Supervisory Committee until appropriate correction has been made. Any questions answered "N/A" should also be explained.
